Recommendation Letter

I am very much pleased to give this recommendation letter in favor of Abdlhakim Nesru Kemal who successfully completed his/her study at Assosa University under Engineering College From Electrical and Computer Engineering Department in the academic year 2020/2021 G.C.

During his/her stay all necessary courses with total ECTS of 304 (credits hours of 200) including Holistic Examination has been given to him/her that enabled him/her to work in the area of engineering and others related areas. He/she has good exposure of working within the community through community based Education during academic stay. Academically he/she is hard working, self-motivated and diligent in his /her study and on time. I trust he/she will bring a difference in the area of his/her field of study in Communication Stream.

I am confident enough in Abdlhakim Nesru Kemal that he/she will shoulder, duties and responsibilities he/she will be assigned to handle. On behalf of myself and my school, I confirm that the candidate fits both professionally and socially in to working environment. I, therefore sincerely recommend the candidate as a productive employee hoping you let the candidate a chance to join your organization/institution. Please feel free to communicate the school for any inquiry you need regarding the candidate. I wish all the best in his/her further endeavor.

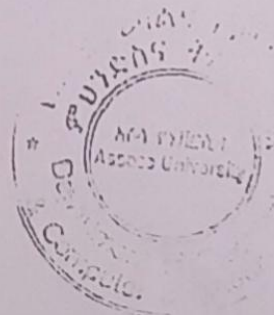

With regards

Abera Eshetu (M.Sc)
